LE Partnering Day

WELCOME

- *Our purpose today:*

FOCUS

Identify, or lay the groundwork to identify,
new/innovative ways to measurably improve logistics support

SE&V MANAGEMENT DIRECTORATE

**Provides Worldwide Integrated Weapon
Systems Management For:**

- Automatic Test Systems**
- Vehicles**
- Aerospace Ground Support Equipment**
- Munitions Materiel Handling Equipment**
- Materiel Handling Equipment**
- Commercial-Off-The Shelf Computers**
- Bare Base**

GOAL

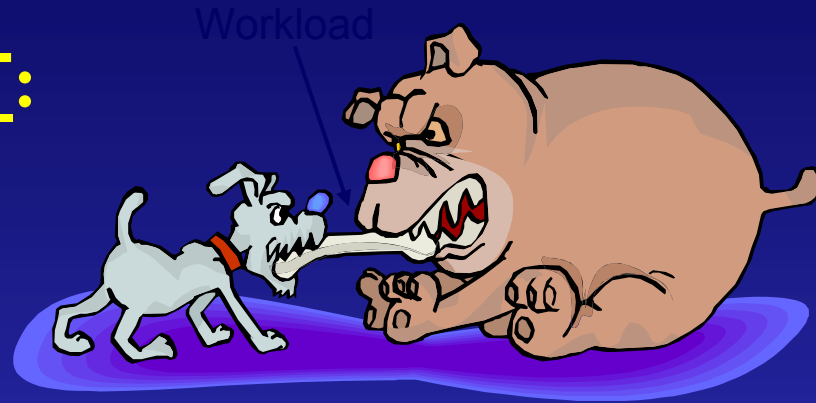

Our success is measured by our support of the warfighter's requirements

-  **Government contractors are an integral part of Air Force logistical support.**
-  **Requires a team effort consisting of public and private partnering.**

Focus On The Warfighter

PARTNERING

- Partnering is NOT:
COMPETITIVE

- Partnering IS:
COLLABORATIVE

Sharing Risk

DECENTRALIZATION

- **Air Force Directed Initiative**
- **Objective – Put the MAJCOM in the driver's seat**
 - Plan/Program/Budget
 - Determine and Prioritize Requirements
- **Scope**
 - Vehicles
 - Other Base Maintenance and SE, Maintenance stands
 - Floodlights, NVGs
 - O&I Level Aircraft Replacement SE

DECENTRALIZATION

- **Timeline**

- **Vehicles On Board - FY03 APOM**
 - **Small Population – Approx 250 NSNs**
- **All others - Beginning FY05 POM and Out**
 - **Large Population - 70,000+ NSNs**
 - **Process will become more technologically refined in out years**
 - **Web-based - allow the MAJCOM to place orders in a point/click environment**

Decentralization – A Reality!!! Front Line Customer – MAJCOMs!!!

SURGE STATS

**THANK YOU
FROM THE CENTER
AND FROM LE!!!**

WR-ALC -- 52,736!!!

LE -- 7,830!!!
